Note.

In Government Pro. No.Fl 1519 dated 5th April 1902, a sum of ₹s200.00/- was sanctioned for carrying out khedda and other shikar operations at the time of the Installation of H.H. the Maharaja. In G.O. No.Fl. 562 - 5, dated 29th September last a sum of ₹s4250/- was sanctioned for a second capture of elephants. The operation having now terminated, Mr. Shamiengar applies for a further grant of ₹s7,350/-, to enable him to finally close the accounts.

Mr. Shamiengar's Original estimate for the ~~se~~ operations was ₹s17,750, and the account submitted by him on 29th August '02, shews an expenditure of ₹s23,396-15-3. The excess of ₹s5,646-15-3 is accounted for as being due to the increased rate of wages to the foreign and local shikaris who had to be kept on for a period longer than was anticipated, to the clearing up and preparing of the camping grounds, to the rise in the price of provisions, and to various other causes.

For the second capture Mr. Shamiengar ~~gives~~ gave an estimate for ₹s10,650/-. But though no capture was made actually, yet the mere operation -charges, the maintenance of the Establishment and the up-keep of the elephants till the closing date are said to have cost ₹s7,355/- thus reducing the estimate by only ₹s3,295/-. The total expenditure therefore ~~of~~ on the two operations amounts to ₹s30,751-15-3,. Out of the sanctioned grant of ₹s24,250/- Mr. Shamiengar having already drawn ₹s23,392-2-5, a balance

balance of ₹7,359-12-10, roughly has yet to be paid.

He now applies for a final grant of ₹7,350/- to complete the outstanding disbursments and close his accounts.

Memorandum

On the 27th February 1902, an Estimate of Expenditure for Rs 15,500/, for a capture of Elephants under the Bengal mode in Khawrajpalger forests was submitted to the Dewan and subsequently on the 15th March /02, Osseemeah retired Field Inspector was sent for and after consulting him a revised Estimate for Rs 17750/ was submitted. It appears that a sum of Rs 20000/ was sanctioned for Sikkar operation, of which, I had no intimation on the 22nd August /02 a telegram from the Dewan was received, in which, among other matters it was stated that Rs 16000 was drawn by me out of Rs 20000/ sanctioned

sanctioned for both
Kheda & Shikar oper-
ations and that second
capture may be made if
the cost thereof be not
prohibitive, enquiring
at the same time how
much more money will
be required for it.

On this a reply telegram
was sent stating that
the cost of a pure second
capture would amount
to Rs 4250/-, the sanction
of which was later communi-
cated to me in
Government Proceedings
No. 2L 562-5 dy 29th Sept 02.
On the 29th idem an account
was rendered for the cost
of the 1st capture at
Rs 2339/6-15-3 and an
Estimate for the second
Capture under the three
different heads "Operation

charges" Rs 4225/- for Keep of captured elephant Rs 4200/- & Supervision Establishment Rs 2225/- in all aggregating to Rs 10650/- of the latter amount only 4250 Rupees have been sanctioned as explained above. No orders have been passed as regards Rs 23396-15-3 and the two other items of the Estimate for the second capture. The aggregate of the two captures as Estimated above is Rs 34046-15-3.

A sum of Rs 23392-2-5 have been advanced and drawn Rs 21892-2-3 for the 1st and Rs 1500/- for the 2nd capture leaving a balance of Rs 10654-12-10 viz Rs 1504-12-10 for the 1st and Rs 9150-0-0 for the

2nd operations. A sum of Rs 1320/ entered in the Estimate towards the feeding charges of 33 Elephants Expected to be captured during the second operation, may now be deducted as no capture has been effected. If this sum be deducted from Rs 10654-12-10 balance due amounts to Rs 9334-12-10. This amount may further be reduced under head "Up Keep of Elephants" by Rs 500/- in the Training money/ auction charges as the market being brisk these charges are mostly borne by the purchasers themselves, and Rs 250/- for pay of Elephant attendants as the services of the two of the Jamedars & 14 Foreign Mahouts and Coolies have

have been dispensed with from the 9th instant. Out of 2nd "operation charges" Rs 1200/- may be saved as only a limited number of shikaris on daily wages were employed and thirdly using economy in every other items. A small savings can also be effected under "Supervision Establishment" if Government ordered the payment of the balance required at an early date as the cost of Extra Establishment will no longer be required.

Thus the estimate for the second capture will stand as follow:-

| | | |
|---|---|---|
| I | Operation charges | Rs 3000-00 |
| II | Purchase of new Elephants | 2130-00 |
| III | Supervision Establishment | 2225-00 |
| | | 7355-00 |

If Rupees 1500/- already advanced for the second operation be deducted

there remains Rs 5853/—
If this sum together with
Rs 1504—12÷10 due for the
1st operation as already
explained or in round
figures if Rs 7350 be
sanctioned & advanced
it will enable me to close
the accounts finally and
submit them to Govern-
-ment.

A list of payments due
to parties and Establish-
-ments etc is enclosed with
a statement showing the
percents to be paid to
men who worked very
hard during both oper-
-ations as an encourage-
-ment for further service
on such occasions.

Another Comparative State-
-ment showing the
estimated amount and
Expenditure for 1st Capture
Camp preparation, main-
-tenance of Elephants

and supervision of establish-
ment is also appended.

OFFICE OF THE DEWAN OF MYSORE.

**Record of Cases Coming before the Council of H. H. the Maharaja.**

*Subject*—*(Clause iii of Schedule.)*

Application from Mr. K. Shamiengar for a further grant of Rs.7,350 to enable him to finally close the accounts in connection with the second capture of elephants.

*Secretary's Note.*

In Government Proceedings No.Fl. 1519 dated 5th April 1902, a sum of Rs.20,000/- was sanctioned for carrying out khedda and other shikar operations at the time of the Installation of His Highness the Maharaja. In Government Order No.Fl.562-5, dated 29th September last a sum of Rs.4,250/- was sanctioned for a second capture of elephants. The operation having now terminated, Mr. Shamiengar applies for a further grant of Rs.7,350/-, to enable him to finally close the accounts.

Mr. Shamiengar's Original estimates for the 1st operation was Rs.17,750/-, and the account submitted by him on 29th August 1902, shews an expenditure of Rs.23,396-15-3. The excess of Rs.5,646-15-3 is accounted for as being due to the increased rate of wages to the foreign and local shikaris who had to be kept on for a period longer than was anticipated to the clearing up and preparing of the camping grounds, to the rise in the price of provisions, and to various other causes.

For the second capture Mr. Shamiengar gave an estimate for Rs.10,650/-. But though no capture was made actually, yet the mere operation-charges,

the maintenance of the Establishment and the up-keep of the elephants till the closing date are said to have cost Rs.7,355/- thus reducing the estimate by only Rs.3,295/-. The total expenditure therefore on the two operations amounts to Rs.30,751-15-3,. Out of the sanctioned grant of Rs.24,250/- Mr. Shamiengar having already drawn Rs.23,392-2-5, a balance of Rs.7,359-12-10, roughly, has yet to be paid.

He now applies for a final grant of Rs.7,350/- to complete the outstanding disbursements and close his accounts.

Sanction has now therefore to be accorded to this amount.

The money must of Course be granted. But in this Case again there is nothing to show how the money is to be provided, whether it is to be reappropriated or paid from balance. The question of these miscellaneous appropriations outside the budget provision must be taken up Seriously.

This is not a case of
re-appropriation - it is
an additional grant from
the balance. The fact
must be minuted on the
Comptroller. The practice
is not new - as will be
seen from page iv of the
Budget Estimates for 1902.-03
where a statement of such
grants during the year

My point is that there should either be a reappropriation statement, or a report from the Controller as to ~~how~~ how the money is to be provided. I am aware of the practice of giving additional grants without Consulting the Controller is not new, but is if precisely the practice that Competent financial advisers such as Mr Kinnander take the strongest objection to. Mr Kinnander when explaining the general situation to me at Mysore laid the greatest stress on this point. The Controller is the only officer who can say what funds are available, and I hold very strongly that the sooner the practice is introduced of Consulting him before additional grants are sanctioned. The better.
